**Volunteer Covenant of Care for
St. Andrew's Out of the Cold Supper and Community Breakfast**

The Out of the Cold Supper and the Community Breakfast are programs of the Outreach Ministry of St. Andrew's Church. These programs grow out of St. Andrew's concern for the vulnerable and marginalized in our city and seek to fulfill the congregation's Mission Statement "to serve in faith, hope and love in the heart of Toronto." St. Andrew's complies with the "Leading with Care" policy of The Presbyterian Church in Canada, a policy to ensure a climate of safety for children, youth and vulnerable adults.

We welcome your participation in these programs and ask that you sign to indicate your agreement with the following covenant to provide a safe and caring environment for all guests and volunteers:

- I declare that there is no legal barrier to me participating in this program;
- I promise, in all my relationships to follow appropriate action as outlined in my training orientation and in other policy documents related to these programs;
- I promise to use only the physical contact that is deemed appropriate by the document *Leading with Care* which has been made available for me to read;
- I promise to use appropriate language;
- I promise to show no bias based on gender, ethnic background, skin colour, intelligence, age, religion, sexual orientation or socio-economic status;
- I promise that I will not harass others;
- I promise to respect confidentiality and privacy, unless a person is in danger.

I have read and agree with the covenant of care.
